Dear Jimmy Hu,

Thank you for your submitting your administrative fee of \$250.00 for case number NC-1-1249605441 under the New York State Lemon Law Arbitration Program. Your payment is currently being processed. You should expect to receive a follow-up email within five business days outlining the next steps for resolving your matter.

The New York State Dispute Resolution Association (NYSdra) administers the Lemon Law Arbitration Program on behalf of the Office of the New York State Attorney General whereby consumers have access to an independent, efficient and fair forum to settle disputes related to automobiles, motorcycles, wheelchairs, farm equipment and mobile homes. NYSDRA does this through its statewide partnership network of Community Dispute Resolution Centers (CDRCs) that service all 62 counties in New York State.

In addition to providing arbitration under the Lemon Law Arbitration Program, CDRCs provide a wide range of conflict resolution options including mediation, arbitration, conflict coaching, restorative justice circles, school interventions, and many other services. These services are designed to provide the timely and satisfactory resolution of a wide range of conflicts in areas such as court-related matters, family, youth, disability services, property, and a host of other disputes. In the majority of cases, parties resolve their issues in a manner that leads to improved relationships, better communication, and a significant savings of time and money. CDRC-based services like these are available at low-to-no-cost to New York residents, with the vast majority of services provided pro bono by professionally trained mediators.

If you, or someone that you know, can benefit from any of these services, contact our office at 518-687-2240.

Again, thank you for your payment and for allowing NYSDRA to assist you in resolving your lemon law matter.

Sincerely,

Don Raiano, Lemon Law Program Manager
New York State Dispute Resolution Association
