Dear JIMMY,

Attached you will find Hyundai's offer of vehicle repurchase, or a cash settlement in lieu of repurchase with you keeping the vehicle. Thus, please note, there are two signature sections of this document. It is most important that you sign under the section that is appropriate for the offer in which you are accepting; Cash in Lieu of Repurchase or Vehicle Repurchase.

Please select the option which you want to move forward with and send me the signed offer letter so that I can send you the release letter which needs to be signed and notarized for the selected option.

If you have any questions regarding the attached letter prior to our scheduled call, please contact me by replying to this email without changing the subject line or contact me at my direct line listed below.

Thank you for contacting Hyundai Motor America.

Hello, thanks for the message.
I think the current issues with the car not starting have to get resolved first before I feel comfortable on a final settlement.

Hi Akhil,

I have a major update regarding the 2024 Ioniq 5. After the initial power failure on January 6th and 7th, interim issues, and the repeated total power failure on February 9th, the vehicle was towed to the Hyundai Paramus Service Center.

The Paramus service center has completed their diagnostics and **confirmed that the failure is a defect covered under the manufacturer warranty**, and they are replacing the battery.

Because of this recurrence, I need to update our settlement demand to include incidental damages (loss of use, rental cars, and taxi/rideshare reimbursements) for this recent out-of-service period.

I can provide the taxi and car rental receipts, though I don't have receipts from when I used public transportation.

Let me know what specific format you need my transportation receipts in.

Best regards,

-Jimmy Y. Hu

Dear JIMMY,

I hope this message finds you well.

I'm sorry to hear about the recurring issue with your vehicle. I would be happy to review any alternative transportation receipts you've incurred while the vehicle was down at the dealership for warranty repairs. We can consider rental charges of \$60/day and ride-sharing fees of \$30/day for possible reimbursement. Please feel free to send clear pictures or scanned copies of these receipts.

Please note, however, that this will not affect the existing settlement or repurchase offer.

Additionally, could you confirm if you have picked up your vehicle from the dealership? If so, kindly send me a copy of the invoice from the dealer.

I will follow up with you on next Thursday, 02/26/26 with the updates.

Thank you for contacting Hyundai Motor America.

Sincerely,

Akhil

I'm afraid my expenses for both the rental car and taxi fare far exceed the allowance you mentioned. I have receipts.

Dear JIMMY,

Thank you for your response.

I understand your expenses may exceed the daily amounts mentioned. The reimbursement allowances are fixed at \$60 per day for rental vehicles and \$30 per day for ride-sharing or taxi services. We will be able to review your claim once we receive the receipts, and we will apply the allowable amounts accordingly.

When you have a moment, please send over clear photos or scanned copies of all receipts so we can proceed with the evaluation.

Additionally, please let me know your decision regarding the repurchase offer, as we want to ensure everything continues moving forward for you.

Hi, just FYI I have been getting weekly phone calls (that I have ignored) from Hyundai Customer Service. I would like your advice on how I should be responding - should I be sending them a copy of all the receipts?

I can confirm that, after much difficulty, I have picked up the vehicle.
